

# Kids Count® The Road to Financial Literacy

This innovative curriculum is designed for teachers and their elementary students in third through fifth grades. Teachers will love its ease of use and instructional flow, while students will enjoy the exciting, hands-on activities that match their learning needs and aid them in feeling successful.

Kids Count® combines reading, math and economics with money management skills delivered in an integrated curriculum that is mapped to standards in all 50 states. Lessons cover basic financial concepts like earning, budgeting, saving, spending wisely, and giving. The curriculum also includes an assessment tool that can be administered as a pre-test and post-test to evaluate students' knowledge.
